

Applicable for children and young people over the age of 6 and under 18

- Pinguecula
- Pterygium
- Episcleritis, scleritis
- Abrasion
- Recurrent erosion syndrome
- Dry eye
- Keratitis
- Endothelial abnormality
- Dystrophy
- Pupil abnormalities
- Inturned Lashes
- Allergies Eczema
- Red itchy, irritable Blepharokeratitis)
- Atopic conj/cornea
- Epiphora
- Cysts
- Chalazions
- Pigmented abnormalities
- Raised IOP
- Watery Eyes
- Myelin fibres

Applicable conditions for Adults

Examples of conditions included as part of the Service, although not exhaustive or definitive are detailed below (and may be varied from time to time).

Eyelids, orbit

- Meibomian gland dysfunction
- Allergies
- Eczema
- Cysts
- Concretions
- Dacrocystitis
- Strabismus

Retina

- Pigmented abnormalities
- Dry AMD
- Vein occlusion

- Retinal break
- Disc abnormality
- Schisis
- Macular hole
- Retinochisis
- Epiretinal membrane

Cornea

- Abrasion
- Recurrent erosion syndrome
- Keratitis
- Keratoconus
- Endothelial abnormality
- Dystrophy

Anterior chamber

- Anterior uveitis

Iris

- Pupil abnormalities
- Posterior synechiae

Vitreous

- Posterior vitreous detachment
- Opacities

Glaucoma

- Raised IOP
- Cupped disc
- Narrow angle
- Gonioscopy
- Pigment dispersion syndrome
- Pseudo exfoliation
